

**BREACH SECURE NOW**

# **DO YOU SUPPORT HEALTHCARE CLIENTS?**

Your HIPAA compliance is just as important as theirs.

## **DO I NEED TO BE HIPAA COMPLIANT?**

If you protect, store, and/or access Protected Health Information (PHI), not only will you need to sign a Business Associate Agreement (BAA) with your healthcare customers, but you'll be **required** to meet HIPAA compliance requirements as well.

# Comprehensive, not Complicated

## Get our HIPAA compliance Partner Program add-on

Meet annual HIPAA compliance requirements and get access to our ongoing security awareness program:
